

RANY BOY TEMPLADO

Trece Martires, Cavite, PH • +63 993 469 8243 • ranyboytemplado@gmail.com • ransnotdev.vercel.app

Education

Perpetual Help College of Pangasinan, Malasiqui, Pangasinan, PH
Bachelor of Science in Information Technology (Aug 2021 – Jun 2025)

Technical Skills

Programming: JavaScript, PHP, Java, C++, SQL, HTML5, CSS3

Database: MySQL

Enterprise: SAP, SAP Data Migration, Data Validation, Data Cleansing, ETL Concepts, ABAP Fundamentals

Developer Tools: Git, GitHub, VS Code, REST APIs

Productivity: Microsoft Office, Google Workspace

Projects

Personal Portfolio

React • TypeScript • AI APIs • Vercel

- Designed and developed a responsive portfolio website with an AI chatbot showcasing projects, skills, and experience. Deployed on Vercel with GitHub version control.

Dental Appointment Management System

PHP • MySQL • HTML • CSS • JavaScript

- Developed a web-based appointment system that replaced manual appointment scheduling for a local dental clinic.

Real Estate Appointment System

PHP • MySQL

- Built an online scheduling platform for property viewings with centralized appointment management.

Weather Forecast Application

JavaScript • Weather API

- Created a weather application using a public API with location search and real-time forecasts.

Computer Vision Object Detection

Python • YOLO • OpenCV • Kiro

- Implemented object detection experiments using YOLO and OpenCV while leveraging Kiro for AI-assisted development.

Professional Experience

ACCENTURE — Associate Software Engineer (May 2026 – Present)

- Completing enterprise SAP training focused on software engineering, SAP Data Migration, data validation, enterprise workflows, and system integration while collaborating with project teams.

Global Strategic — Data Entry Associate (Mar 2026 – May 2026)

- Processed and validated high-volume billing records, resolved data inconsistencies, and maintained confidentiality and quality standards.

Foundever — Customer Service Representative (Feb 2026 – Mar 2026)

- Completed technical onboarding and strengthened communication, documentation, and problem-solving skills.

Teleperformance — Customer Service Representative (Oct 2025 – Jan 2026)

- Resolved customer inquiries, documented interactions accurately, and met quality and performance expectations.

Certifications

- AI Engineer for Developers Associate
- CodeChum National Programming Challenge 2024 – Participant
- JavaScript (Basics) – HackerRank
- SQL (Basics) – HackerRank
- Java (Basics) – HackerRank

- Responsive Web Design – freeCodeCamp
- Front End Development Libraries – freeCodeCamp
